The auction on 14–15 April is an online live auction – with no auction room

We recommend that you create an account on our website in good time before the auction if you have not already done so. You can then leave bids beforehand or bid live when the lots are auctioned, on www.philea.se. The auction schedule is found on page 7 and the system will auction at most four lots a minute.

If you want to visit the viewing, you must schedule an appointment with us due to covid-19 restrictions. Viewing hours are also found on page 7 and you may view during the ongoing auction. You can bid using your mobile, tablet or laptop while at our premises during the auction and we will also set up terminals for customers to borrow for bidding. You may pick up bought lots throughout the auction days and during regular business hours after the sale.

If you are unable to bid online, you may give us your bids beforehand by post, email, telephone or to a member of our staff at the viewing, at least an hour before a lot is auctioned.

We also offer “live” telephone bidding for lots with reserve SEK 2000 and up. For lots reserved at less than SEK 2000 we will bid on your behalf up to SEK 2000 if competition so requires, and only thereafter confirm your continued bidding. This is to speed up the auction process. We need to know what lots you want to be called for no later than the day before the auction.

Auktionen den 14–15 april är en online live auction – utan auktionssal

Vi rekommenderar att du i god tid före auktionen skapar ett konto på vår hemsidan om du inte redan gjort det. Du kan då lämna bud i förtid eller bjuda live när objekten klubbas, på www.philea.se. Auktions-schemat finns på sidan 7 och systemet kommer att auktionera max 4 objekt i minuten.

Om du vill besöka visningen ber vi dig boka tid. ”Covid-19 regler” (max 50 personer tillåts vara på plats samtidigt, besök oss inte om du är sjuk, håll avstånd så långt möjligt etc) gäller som tidigare. Visningstiderna framgår på sidan 7 och som framgår har vi även visning samtidigt som auktionen pågår. Under auktionsdagarna bjuder vi på fika, alkoholfri dryck och småkakor.

Du kan bjuda via din mobil, surfplatta eller laptop, och det kommer också finnas terminaler tillgängliga i våra lokaler för att bjuda online. Köpta objekt kan avhämtas löpande under auktionen eller efteråt på våra öppettider.

Om du inte har möjlighet att bjuda online så kontakta oss för alternativ. Det går bl.a. bra att före auktionen lämna skriftliga bud direkt till oss på vanligt sätt, inklusive till någon av våra medarbetare under visningen, senast en timme före objekten auktioneras.

Det går även bra att bjuda ”live” på telefon för objekt med utropspris på minst SEK 2000. För objekt med lägre utropspriser kommer vi bjuda för din räkning upp till 2000 om konkurrensen så kräver och först därefter bekräfta din fortsatta budgivning. Med andra ord, om du inte vill ”gå upp till” 2000 för ett objekt som du vill vara med på telefon på, ber vi dig lämna skriftliga bud istället. Detta för att påskynda auktionsprocessen.

I do not use Internet - but I can get a "Personal Price List" by ordinary mail with all possible countries or topics.

You can easily search for your own personal area of collection when you press "Search stamps" and fill in one or more alternatives in the form. For example, you can find British Colonies in Africa before 1920 all canceled, or dogs from countries in Europe ** all after 1990.

The result is a chronological list, where you don't have to riffle amongst numerous uninteresting lots.

You don't even have to be logged in to look at our stock, and there is lots to choose from!

If you order for more than 500 SEK and at least 5 "discount approved" lots (almost all), you will get an automatic discount. If you purchase for even more, we will offer an even greater discount.

8342A CLASSIC TO 2001. Thousands of stamps from the first issues onwards with 20 imperfs, followed by a good range of the 1858/60/61 side profiles inc light whiskers to high values and then many pages of 19th and early 20th century through to 1930s and post WW2 with Renners x2 used and various better surcharge charity sets and much modern. The holding ends with back of the book postage dues, POs abroad with much 19th century through to 1918 and the end of Austro Hungarian Empire, also noticed over two dozen imperial revenue types at the end. An opportunity for dealer or collector. Conservatively valued. ★★/★/☉ 4.000:-

8343A Impressive mint and used holding from the first imperf issues onwards, all 4 margined with 40+ through 19th century high values inc a study of the perf varieties, many of which are unlisted, then the 20th century, again extensive, much of which would benefit from the specialized catalogues. Huge potential from the obvious to the much more interesting 19th and early 20th century. A recommended viewing, ideal for the specialist collector or dealer. ★★/★/☉ 3.000:-

8344A Somewhat chaotic nonetheless interesting range, all housed in one volume from the first imperfs, including a superb #1 with script pmk and various other imperf types to investigate, through to the 2nd and 3rd issues inc good denominations yellow and green, again in very good condition, as well as a postmark range of 19th century inc POs abroad, Constantinople, followed by imperf newspapers by the dozens, jumping on to Bosnia Herzegovina and then various modern ending with a wide range of postage dues and yet further Bosnia again from the first issues. A very good holding that needs lots of work which will be rewarding to the patient. ☉ 2.500:-

| 8671Av | | Very attractive collection with well over 1000 stamps, evident from the first page onwards that hits you with excellent quality beginning with 2 of each of the scarce lithograph printing, all individual items in their own right and three of each of the engraved printings, again superb. This page alone cats well in excess of 3000 euro. The next page has further issues of the Franz Josef types inc some mint such as the engraved 2k, 5k and 10k and a further two dozen used, including better lithograph with varieties written up accordingly. Further 19th century including extensive studies of the crown issues again with some beautiful examples here with cds and considerable specialization well beyond the remit of most catalogues, page after of perforation studies with much unlisted ending with imperforates again with all kinds of specialisations/unlisted. The 19th century continues with the St Stephens here and is a delight to view, especially in this outstanding condition. There are also considerable watermark studies as well, again with 100s of stamps, such is the depth of scholarship here. There is a little early 20th century, pleasant enough with complete sets, mint and used of the 1900 through 1916 Hungarian crown issues inc tabs, however overall it is the 19th century that makes this one of the very best Hungarian collections we have had the pleasure to offer. Offered intact as received. As soon as you view this collection, you will want to buy it, it is that good! Mostly ○ | 25.000:- | 8686P | | Iran Lot. | 8933A | Ukraine A very good oldtime collection formed many decades ago, all one of a kind, mint and used with about a few 100 stamps inc some vey scarce items, many signatures. This in depth encompassing Tscherizigow, Kharkov, Odessa, Poltava, Kiev, etc. While still many space to fill, it will be very difficult to replace a collection such as this today. A recommended viewing. | ★/☉ | 4.000:- |

| 8938A | Vietnam Mixed Several 100s perhaps 1000s of stamps loaded in one thick volume inc interesting Vietcong, as well as interesting South Vietnam through to eventual unification, as well as a section on early French Indochina at the back. Plenty of good sets here from the 1950s, also material unlisted or at least not in the main catalogues of Vietnam. There is some minor duplication yet nothing in excess quantities, ideal for a dealer to replenish stocks. | ★★★/★/☉ | 2.500:- |
| 8939K | Yugoslavia FDC, 1949 Railway souvenir sheet 4A/B perf and imperf (2). The perforated s/s is minor worn at top. Cert by Zrinjskac 2013. EUR 1000 | ✉ | 600:- |
| 8940A | Yugoslavia 1918-79. Very well filled collection, housed in a Schaubek album, beginning with the transition sets 1918 and virtually all the Bosnia issues overprinted. On to the Croatia issues with the SHS o/ps inc errors, again virtually complete through to the 1919 breaking chains and hardly empty spaces thereafter often with parallel mint and used one under the over. The same goes for post WW2 with 100s of sets, ending with good back of the book, miniature sheets, Slovenia overprints, an interesting page of propaganda, rejected designs or revenues for the specialist to investigate. Most worthwhile collection needing not that much for completion, as well as material outside of the box. | ★/☉ | 4.000:- |

Auction conditions

The auction is voluntary and is conducted on behalf of the vendors. The lot shall be sold to the person making the highest bid at a sum equal to the next highest bid plus a fixed increase. If there is only one bid the lot will be sold for the starting price. In the event of two identical bids the first bid received has priority.

All bids must be made in Swedish crowns (SEK). All invoices pertaining to auction purchases are made out by AB Philea, the financial and legal counterpart to all buyers and vendors at the auction.

Commission of 25 % is added to the hammerprice for both domestic and foreign customers. AB Philea uses the "Margin scheme" (also known as the "Global System") meaning that no VAT will be specified on invoices. When incurred, expenses for insurance and postage are also added.

Bids made are binding. In the event of bids being presented by persons on behalf of another (agents) the person presenting the bid is liable to satisfy the sales conditions as if it were his own bid. The person presenting the bid is also responsible for errors made by him in when acting as agent at the auction. Similarly, the person presenting the bid is liable for any errors or misunderstandings in the case of unconfirmed bids by telephone. For telephone bidding on lots with reserves less than SEK 2000, the auctioneer has the right to bid on behalf of the bidder up to SEK 2000 when the lot is auctioned, without having to confirm each bidding increment with the bidder on the telephone.

The auction will be conducted with as much care as possible but without any undertaking on our part. We reserve the right to reject persons from the auction and decline bids without giving any reason for doing so. We also reserve the right, in the event of misunderstanding or differences of opinion, to re-offer the goods for auction.

Payment for lots purchased by a bid at the auction shall be made in cash, or against a pro forma invoice. The lots remains the property of the vendors until such time as full payment is made. Payment shall be made within 8 days of the date of invoice. In the event of delay in payment interest is charged at 2 % of the invoiced sum for each month commenced plus a reminder fee of SEK 40. If payment has not been received by us within, at the latest, 30 days after the date of invoice or if the purchaser refuses to pay, we are entitled to sell the lot at the purchaser's expense without giving any further notice. If this occurs the sum received on sale, after deduction of sales expenses, will be deducted from the unpaid debt. Any sum remaining due will be subsequently recovered by legal measures. Foreign customers will receive pro forma invoices.

Lots are sold in their present condition except where other remarks concerning their quality have been made in the catalogue or on Internet. This means, among other things, that defects not visible in photographs or deviations from descriptions of quality of individual articles/sets are not regarded as defects. For collections and accumulations tradesmen are not entitled to make any claims and private consumers rights are limited to those stipulated in Section 9 of the Swedish Consumers Sales Act.

Complaints must be presented within a reasonable time after the purchaser discovered or ought to have discovered the defect, normally within 10 days following the purchaser's receipt of the lot or his having had such opportunity following notification by his post office of the lot's arrival. If a complaint is approved the price of the lot will be repaid to the purchaser plus any postage.

The auctioneer may in the event of a complaint request a certificate from an impartial well-known expert. Lots with certified authenticity may, if the auctioneer considers it appropriate, only be returned if at least two impartial and well-known experts have an opinion which varies with that of the person who certified the authenticity.

AB Philea has the sole right to appoint an internationally recognized expert to be consulted, unless alternative arrangements about expertization is agreed prior to placing a bid at the sale.

The presentation of verbal bids or auction instructions means that the above conditions are approved.

Unless otherwise stated, the catalogue numbers and valuations are taken from Facit for the Nordic Countries and from Michel for other countries and territories.

The auction is conducted and sales made are subject to the exclusive jurisdiction of the Swedish courts and is subject to Swedish law. In the event of any discrepancies in the text arising from translation, the Swedish text shall prevail.

Auktionsvillkor

Auktionen är frivillig och sker för inlämnarens räkning. Objektet säljes till högstbjudande för näst högsta bud + en fast höjning. Finns endast ett bud säljes objektet till utropspris. Av två lika bud gäller det först inkomna. Underbud accepteras ej.

Alla bud skall avgas i svenska kronor. Alla fakturor avseende köp på auktionen ställs ut av AB Philea, org.nr 556326-1949, som är ekonomisk och juridisk motpart för alla köpare på och inlämnare till auktionen.

Köparprovisionen är 25 % på klubbat auktionspris, även för utländska kunder. AB Philea använder sig av vinstmarginalssystemet (VMB), vilket betyder att moms inte specificeras på fakturor. Dessutom tillkommer i förekommande fall porto- och försäkringskostnader.

Avgivet bud är bindande. Vid bud för annans räkning ansvarar budgivaren för att försäljningsvillkoren uppfylles som om det vore eget bud. Budgivaren är också ansvarig för av honom gjorda fel i auktionsuppdraget. Likaså vid obekräftade telefonbud är budgivaren ansvarig för ev. fel och missuppfattningar. För telefonbud på objekt med ett utrop under 2000 kr har auktionären rätt att bjuda upp till 2000 kr åt telefonbudgivaren utan att behöva få respektive budsteg bekräftat av budgivaren.

Auktionsuppdrag behandlas så omsorgsfullt som möjligt, dock utan några andra åtaganden från firmans sida. Vi förbehåller oss rätten att avvisa personer från auktionen och avböja bud utan att ange skäl härfor. Vi förbehåller oss rätten att vid missförstånd eller meningsskiljaktigheter utlysa ny budgivning.

Betalning sker kontant eller mot förskottsfaktura. Objektet förblir säljarens egendom till dess full likvid erlagts. Likvid skall erläggas inom 8 dagar från fakturadatum. Vid senare betalning debiteras ränta med 2 % per påbörjad månad räknad på fakturabeloppet, samt kravavgift med 40 kronor. Har likvid ej inkommit 30 dagar efter fakturadatum eller om köparen vägrar att betala, kan objektet utan ytterligare meddelanden säljas på köparens bekostnad. Utländska kunder erhåller förhandsfaktura.

Objekten säljs i befintligt skick såvida inte andra utfästelser om deras kvalitet har gjorts i katalogen eller på Internet. Detta innebär bl.a att som fel betraktas i första hand på foto ej synliga defekter eller avvikelser från kvalitetsbeskrivning av enstaka objekt/serier. Beträffande samlingar eller partier innebär det att näringsidkare inte äger rätt att göra några påföljder gällande och att den enskilde konsumentens möjlighet är begränsad till vad som stadgas i konsumentköplagens § 9.

Reklamationer skall göras inom skälig tid efter det att köparen upptäckt eller bort upptäcka felet, normalt inom 10 dagar efter det att köparen har mottagit objekten eller haft möjlighet att göra detta genom avisering om objektens översändande från dennes postanstalt. Vid godkänd reklamation återfår köparen auktionspris plus 25 % och ev. porto.

Auktionären kan vid reklamation kräva intyg från opartisk välkänd expert. Objektet med äkthetsintyg kan, om auktionären så anser befogat, endast returneras om minst två opartiska och välkända experter har en från intygsskrivaren avvikande mening.

AB Philea har ensamt rätt att utse vilken internationellt erkänd expert som skall användas, om inte annat överenskommits innan bud lämnats.

Avgivande av muntliga bud eller auktionsuppdrag innebär godkännande av ovanstående villkor.

Katalognummer och värden är hämtade ur Facit för Norden samt Michel för alla andra länder och områden, om inget annat anges.

Vid tvist gäller svensk lag.
