- 2005K** Colombia Lot. Back of the book: An extraordinary range of 19th/early 20th century issues with much that we could not find in the catalogues. Particularly impressive are the 'Postal Agency' imperf with cancels and signatures in manuscript. Other useful items include imperf's of the so called 'Ortiz' issues on crimson-coloured papers. Also a range of the 'Popayan', again all individually signed, the Garzon primitives of 1894, etc. Various other good specialised items here and a thoroughly recommended viewing for those that like the unusual in Colombia.
