Preface

Welcome to our first online coin auction with more than 900 lots!

All items will be auctioned online. The auctioneer will, however, decide when the bidding is concluded for each lot. There will be time allowed for possible delays due to e.g. technical reasons and phone bidding. **There is no auction room bidding.** We ask bidders that are watching a lot during live session (being the winner of a lot or not) to remain online for a while when we go on to the subsequent lot, as we reserve the right to reopen the previous lot due to technical problems or other reasons. We ask for your patience and understanding.

A support telephone line for urgent issues during the sale will be available.

You are recommended to create an account online and familiarize yourself with the website and also read our manual under the "Help" section.

You may of course leave your bids beforehand and you will be notified if you are outbid.

Viewing in our office in Stockholm by appointment only during the three business days before the sale, not on the day of the sale. All lots are presented in full on our website. Please note that if you come to view, the lots are sorted by reference numbers (the 5 digits in parenthesis at the beginning of the lot descriptions here in the PDF catalogue) and not lot numbers.

Buyers premium is 21 %. Pick up of lots possible from the business day after the sale at our office during regular business hours 10am – 5pm (lunch 12 noon-1pm). The invoicing and delivery process starts as soon as possible after the sale.

Välkommen till vår första myntauktion online med mer än 900 objekt!

Alla objekt auktioneras på vår hemsida. Auktionären bestämmer dock när budgivningen är avslutad för varje objekt. Det kommer att vara tid avsatt för eventuella förseningar på grund av t.ex. tekniska orsaker och telefonbudgivning. **Vi har ingen budgivning i sal.** Vi ber budgivare som följer ett objekt under live-budgivningen (oavsett om du är vinnare eller ej) att stanna kvar online till dess att vi gått vidare till nästa objekt, då vi förbehåller oss rätten att återöppna föregående objekt på grund av tekniska orsaker eller andra anledningar. Vi ber om tålamod och förståelse.

Telefonsupport för brådskande ärenden kommer finnas tillgänglig under auktionens gång.

Du rekommenderas att skapa ett kundkonto på hemsidan och orientera er i förväg, samt också läsa vår handledning under Hjälp-sektionen.

Du kan naturligtvis också lämna dina bud i förväg, och du kommer att bli meddelad om du blir överbjuden.

Visning av objekten på vårt kontor i Stockholm kan ske enbart efter överenskommelse under de tre dagarna innan auktionen, inte under själva auktionsdagen. Alla objekt presenteras i sin helhet på hemsidan. Var god notera att om du kommer till visningen kommer objekten att vara sorterade på grundnummer (de 5 siffrorna inom parentes i början av objektbeskrivningarna här i PDF-katalogen) och inte på objektnummer.

Köparprovisionen är 21 %. Hämtning av objekt är möjlig från och med första arbetsdagen efter auktionen, i våra lokaler under normala öppettider 10:00–17:00 (lunchstängt 12:00–13:00). Arbetet med fakturering och leverans påbörjas snarast möjligt efter att auktionen är klar.

Auction conditions

The auction is voluntary and is conducted on behalf of the vendors. The lot shall be sold to the person making the highest bid at a sum equal to the next highest bid plus a fixed increase. If there is only one bid the lot will be sold for the starting price. In the event of two identical bids the first bid received has priority.

All bids must be made in Swedish crowns (SEK). All invoices pertaining to auction purchases are made out by AB Philea, the financial and legal counterpart to all buyers and vendors at the auction.

Commission of 21 % is added to the hammerprice for both domestic and foreign customers. AB Philea uses the "Margin scheme" (also known as the "Global System") meaning that no VAT will be specified on invoices. When incurred, expenses for insurance and postage are also added.

Bids made are binding. In the event of bids being presented by persons on behalf of another (agents) the person presenting the bid is liable to satisfy the sales conditions as if it were his own bid. The person presenting the bid is also responsible for errors made by him in when acting as agent at the auction. Similarly, the person presenting the bid is liable for any errors or misunderstandings in the case of unconfirmed bids by telephone or telegraph.

The auction will be conducted with as much care as possible but without any undertaking on our part. We reserve the right to reject persons from the auction and decline bids without giving any reason for doing so. We also reserve the right, in the event of misunderstanding or differences of opinion, to re-offer the goods for auction.

Payment for lots purchased by a bid at the auction shall be made in cash, or against a pro forma invoice. The lots remains the property of the vendors until such time as full payment is made. Payment shall be made within 8 days of the date of invoice. In the event of delay in payment interest is charged at 2 % of the invoiced sum for each month commenced plus a reminder fee of SEK 40. If payment has not been received by us within, at the latest, 30 days after the date of invoice or if the purchaser refuses to pay, we are entitled to sell the lot at the purchaser's expense without giving any further notice. If this occurs the sum received on sale, after deduction of sales expenses, will be deducted from the unpaid debt. Any sum remaining due will be subsequently recovered by legal measures.

Foreign customers will receive pro forma invoices.

Lots are sold "as is" except where other remarks concerning their state have been made in the catalogue. This means, among other things, that defects not visible in photographs or deviations from descriptions of state of individual articles are not regarded as defects. Information regarding grades are our opinion only, and are therefore not grounds for complaints or returns. For collections and accumulations tradesmen are not entitled to make any claims and private consumers rights are limited to those stipulated in Section 9 of the Swedish Consumers Sales Act.

Complaints must be presented within a reasonable time after the purchaser discovered or ought to have discovered the defect, normally within 10 days following the purchaser's receipt of the lot or his having had such opportunity following notification by his post office of the lot's arrival. If a complaint is approved the price of the lot will be repaid to the purchaser plus any postage.

The presentation of verbal bids or auction instructions means that the above conditions are approved.

The auction is conducted and sales made are subject to the exclusive jurisdiction of the Swedish courts and and is subject to Swedish law.

Auktionsvillkor

Auktionen är frivillig och sker för inlämnares räkning. Objektet säljes till högstbjudande för näst högsta bud + en fast höjning. Finns endast ett bud säljes objektet till utropspris. Av två lika bud gäller det först inkomna. Underbud accepteras ej.

Alla bud skall avgas i svenska kronor. Alla fakturor avseende köp på auktionen ställs ut av AB Philea, org.nr 556326-1949, som är ekonomisk och juridisk motpart för alla köpare på och inlämnare till auktionen.

Köparprovisionen är 21 % på klubbat auktionspris, även för utländska kunder. AB Philea använder sig av vinstmarginalsystemet (VMB), vilket betyder att moms inte specificeras på fakturor. Dessutom tillkommer i förekommande fall porto- och försäkringskostnader.

Avgivet bud är bindande. Vid bud för annans räkning ansvarar budgivaren för att försäljningsvillkoren uppfylles som om det vore eget bud. Budgivaren är också ansvarig för av honom gjorda fel i auktionsuppdraget. Likaså vid obekräftade telefon- och telegrambud är budgivaren ansvarig för ev. fel och missuppfattningar.

Auktionsuppdrag behandlas så omsorgsfullt som möjligt, dock utan några andra åtaganden från firmans sida. Vi förbehåller oss rätten att avvisa personer från auktionen och avböja bud utan att ange skäl härför. Vi förbehåller oss rätten att vid missförstånd eller meningskiljaktigheter utlysa ny budgivning.

Betalning sker kontant eller mot förskottsfaktura. Objektet förblir säljarens egendom till dess full likvid erlagts. Likvid skall erläggas inom 8 dagar från fakturadatum. Vid senare betalning debiteras ränta med 2 % per påbörjad månad räknad på fakturabeloppet, samt kravgift med 40 kronor. Har likvid ej inkommit 30 dagar efter fakturadatum eller om köparen vägrar att betala, kan objektet utan ytterligare meddelanden säljas på köparens bekostnad.

Utländska kunder erhåller förhandsfaktura.

Objekten säljs i befintligt skick såvida inte andra utfästelser om deras beskaffenhet har gjorts i katalogen. Detta innebär bl.a att som fel betraktas i första hand på foto ej synliga defekter eller avvikelser från beskrivning av enstaka objekt. Uppgifter om kvalitetsbeteckningar är endast vår uppfattning, och utger i sig ej underlag för reklamation. Beträffande samlingar eller partier innebär det att näringsidkare inte äger rätt att göra några påföljder gällande och att den enskilde konsumentens möjlighet är begränsad till vad som stadgas i konsumentköplagens § 9.

Reklamationer skall göras inom skälig tid efter det att köparen upptäckt eller bort upptäcka felet, normalt inom 10 dagar efter det att köparen har mottagit objektet eller haft möjlighet att göra detta genom avisering om objektens översändande från dennes postanstalt. Vid godkänd reklamation återfår köparen auktionspris plus 21 % och ev. porto.

Avgivande av muntliga bud eller auktionsuppdrag innebär godkännande av ovanstående villkor.
