The auction is an online live auction – with no auction room

We recommend that you create an account on our website in good time before the auction if you have not already done so. You can then leave bids beforehand or bid live when the lots are auctioned, on www.philea.se. The auction schedule is found on page 4 and the system will auction at most four lots a minute.

We no longer require scheduled appointments for visiting the viewing, but naturally you still shouldn't visit if you are ill. The viewing hours are found on page 4 and you may view during the ongoing auction.

You can bid using your mobile, tablet or laptop while at our premises during the auction and we will also set up terminals for customers to borrow for bidding. You may pick up bought lots throughout the auction days and during regular business hours after the sale.

If you are unable to bid online, you may give us your bids beforehand by post, email, telephone or to a member of our staff at the viewing, at least an hour before your lots are auctioned.

We also offer "live" telephone bidding for lots with reserve SEK 2000 and up. For lots reserved at less than SEK 2000 we will bid on your behalf up to SEK 2000 if competition so requires, and only thereafter confirm your continued bidding. This is to speed up the auction process. We need to know what lots you want to be called for no later than the day before the auction.

Auktionen är en online live auction – utan auktionssal

Vi rekommenderar att du i god tid före auktionen skapar ett konto på vår hemsida om du inte redan gjort det. Du kan då lämna bud i förtid eller bjuda live när objekten klubbas, på www.philea.se. Auktionsschemat finns på sidan 4 och systemet kommer att auktionera max 4 objekt i minuten.

Ingen föranmälan behövs för att besöka visningen, men naturligtvis gäller fortfarande att du inte ska besöka oss om du är sjuk. Visningstiderna framgår på sidan 4 och som vi har även visning samtidigt som auktionen pågår.

Du kan bjuda via din mobil, surfplatta eller laptop, och det kommer också att finnas terminaler tillgängliga i våra lokaler för att bjuda online. Köpta objekt kan avhämtas löpande under auktionen eller efteråt på våra öppettider.

Om du inte har möjlighet att bjuda online så kontakta oss för alternativ. Det går bl.a. bra att före auktionen lämna skriftliga bud direkt till oss på vanligt sätt, inklusive till någon av våra medarbetare under visningen, senast en timme före dina objekt auktioneras.

Det går även bra att bjuda "live" på telefon för objekt med utropspris på minst SEK 2000. För objekt med lägre utropspriser kommer vi bjuda för din räkning upp till 2000 om konkurrensen så kräver och först därefter bekräfta din fortsatta budgivning. Med andra ord, om du inte vill "gå upp till" 2000 för ett objekt som du vill vara med på telefon på, ber vi dig lämna skriftliga bud istället. Detta för att påskynda auktionsprocessen.

Auction conditions

The auction is voluntary and is conducted on behalf of the vendors. The lot shall be sold to the person making the highest bid at a sum equal to the next highest bid plus a fixed increase. If there is only one bid the lot will be sold for the starting price. In the event of two identical bids the first bid received has priority.

All bids must be made in Swedish crowns (SEK). All invoices pertaining to auction purchases are made out by AB Philea, the financial and legal counterpart to all buyers and vendors at the auction.

A buyer's premium of 25% is added to the hammer price for both domestic and foreign customers (at the pure coin auctions the buyer's premium is 21%). A lot charge of SEK 20 per bought lot is added to the total buyer's premium. AB Philea uses the "Margin scheme" (also known as the "Global System") meaning that no VAT will be specified on invoices. When incurred, expenses for shipping and insurance are also added.

Bids made are binding. In the event of bids being presented by persons on behalf of another (agents) the person presenting the bid is liable to satisfy the sales conditions as if it were his own bid. The person presenting the bid is also responsible for errors made by him in when acting as agent at the auction. Similarly, the person presenting the bid is liable for any errors or misunderstandings in the case of unconfirmed bids by telephone. For telephone bidding on lots with reserves less than SEK 2000, the auctioneer has the right to bid on behalf of the bidder up to SEK 2000 when the lot is auctioned, without having to confirm each bidding increment with the bidder on the telephone.

The auction will be conducted with as much care as possible but without any undertaking on our part. We reserve the right to reject persons from the auction and decline bids without giving any reason for doing so. We also reserve the right, in the event of misunderstanding or differences of opinion, to re-offer the goods for auction.

Payment for lots purchased by a bid at the auction shall be made in cash, or against an advance invoice. The lots remain the property of the vendors until such time as full payment is made. Payment shall be made within 8 days of the date of invoice. In the event of delay in payment interest is charged at 2% of the invoiced sum for each month commenced plus a reminder fee of SEK 40. If payment has not been received by us within, at the latest, 30 days after the date of invoice or if the purchaser refuses to pay, we are entitled to sell the lot at the purchaser's expense without giving any further notice. If this occurs the sum received on sale, after deduction of sales expenses, will be deducted from the unpaid debt. Any sum remaining due will be subsequently recovered by legal measures. Foreign customers will receive advance invoices.

Lots are sold in their present condition except where other remarks concerning their quality have been made in the catalogue or on Internet. This means, among other things, that defects not visible in photographs or deviations from descriptions of quality of individual articles/sets are not regarded as defects. For collections and accumulations tradesmen are not entitled to make any claims and private consumers rights are limited to those stipulated in Section 9 of the Swedish Consumers Sales Act.

Complaints must be presented within a reasonable time after the purchaser discovered or ought to have discovered the defect, normally within 10 days following the purchaser's receipt of the lot or his having had such opportunity following notification by his post office of the lot's arrival. If a complaint is approved the price of the lot, incl. the buyer's premium and lot charge, will be repaid to the purchaser plus any postage.

The auctioneer may in the event of a complaint request a certificate from an impartial well-known expert. Lots with certified authenticity may, if the auctioneer considers it appropriate, only be returned if at least two impartial and well-known experts have an opinion which varies with that of the person who certified the authenticity.

AB Philea has the sole right to appoint an internationally recognized expert to be consulted, unless alternative arrangements about expertization is agreed prior to placing a bid at the sale.

The presentation of verbal bids or auction instructions means that the above conditions are approved. Unless otherwise stated, the catalogue numbers and valuations are taken from Facit for the Nordic Countries and from Michel for other countries and territories.

The auction is conducted and sales made are subject to the exclusive jurisdiction of the Swedish courts and is subject to Swedish law. In the event of any discrepancies in the text arising from translation, the Swedish text shall prevail.

Auktionsvillkor

Auktionen är frivillig och sker för inlämnarens räkning. Objektet säljes till högstbjudande för näst högsta bud + en fast höjning. Finns endast ett bud säljes objektet till utropspris. Av två lika bud gäller det först inkomna. Underbud accepteras ej.

Alla bud skall avges i svenska kronor. Alla fakturor avseende köp på auktionen ställs ut av AB Philea, org.nr 556326-1949, som är ekonomisk och juridisk motpart för alla köpare på och inlämnare till auktionen.

Köparprovisionen är 25 % på klubbat auktionspris (förutom på de rena myntauktionerna där köparprovisionen är 21 %). En slagavgift på 20 kr per köpt objekt läggs till köparprovisionen. Allt detta gäller även för utländska kunder. AB Philea använder sig av vinstmarginalsystemet (VMB), vilket betyder att moms inte specificeras på fakturor. Dessutom tillkommer i förekommande fall frakt- och försäkringskostnader.

Avgivet bud är bindande. Vid bud för annans räkning ansvarar budgivaren för att försäljningsvillkoren uppfylles som om det vore eget bud. Budgivaren är också ansvarig för av honom gjorda fel i auktionsuppdraget. Likaså vid obekräftade telefonbud är budgivaren ansvarig för ev. fel och missuppfattningar. För telefonbud på objekt med ett utrop under 2000 kr har auktionären rätt att bjuda upp till 2000 kr åt telefonbudgivaren utan att behöva få respektive budsteg bekräftat av budgivaren.

Auktionsuppdrag behandlas så omsorgsfullt som möjligt, dock utan några andra åtaganden från firmans sida. Vi förbehåller oss rätten att avvisa personer från auktionen och avböja bud utan att ange skäl härför. Vi förbehåller oss rätten att vid missförstånd eller meningsskiljaktigheter utlysa ny budgivning.

Betalning sker kontant eller mot förskottsfaktura. Objektet förblir säljarens egendom till dess full likvid erlagts. Likvid skall erläggas inom 8 dagar från fakturadatum. Vid senare betalning debiteras ränta med 2 % per påbörjad månad räknad på fakturabeloppet, samt kravavgift med 40 kronor. Har likvid ej inkommit 30 dagar efter fakturadatum eller om köparen vägrar att betala, kan objektet utan ytterligare meddelanden säljas på köparens bekostnad. Utländska kunder erhåller förhandsfaktura.

Objekten säljs i befintligt skick såvida inte andra utfästelser om deras kvalitet har gjorts i katalogen eller på Internet. Detta innebär bl.a att som fel betraktas i första hand på foto ej synliga defekter eller avvikelser från kvalitetsbeskrivning av enstaka objekt/serier. Beträffande samlingar eller partier innebär det att näringsidkare inte äger rätt att göra några påföljder gällande och att den enskilde konsumentens möjlighet är begränsad till vad som stadgas i konsumentköplagens § 9.

Reklamationer skall göras inom skälig tid efter det att köparen upptäckt eller bort upptäcka felet, normalt inom 10 dagar efter det att köparen har mottagit objektet eller haft möjlighet att göra detta genom avisering om objektens översändande från dennes postanstalt. Vid godkänd reklamation återfår köparen auktionspris plus 25 %, objektavgift och ev. porto.

Auktionären kan vid reklamation kräva intyg från opartisk välkänd expert. Objektet med äkthetsintyg kan, om auktionären så anser befogat, endast returneras om minst två opartiska och välkända experter har en från intygsskrivaren avvikande mening.

AB Philea har ensamt rätt att utse vilken internationellt erkänd expert som skall användas, om inte annat överenskommits innan bud lämnats.

Avgivande av muntliga bud eller auktionsuppdrag innebär godkännande av ovanstående villkor. Katalognummer och värden är hämtade ur Facit för Norden samt Michel för alla andra länder och områden, om inget annat anges.

Vid tvist gäller svensk lag.
